

# SERENDIPITY

"THE JOY OF FINDING  
VALUABLE THINGS BY CHANCE"

Help us create a contemporary-sound-culture for each village/city/town. Let everyone discover the poetry of your favourite place, create your own soundtrack and subscribe in the app to join and share!

1

## REACH YOUR SPOT

Where do you go when angry, to take a stroll and steam off a bit? Where do you daydream when in love or simply serene? Choose your place in the city, the one you find poetic and worth it. Think about how to express the feelings this spot arouse you and when exactly during the day you like it the most!

2

## RECORD ITS SOUND

Take your phone/recorder/zoom and go out to record this ambient sound which will be the basis of your

3

## ENRICH IT WITH YOUR MUSIC

Where do you go when angry, to take a stroll and steam off a bit? Where do you daydream when in love or simply serene? Choose your place in the city, the one you find poetic and worth it.

4

## SHARE IT ON THE MAP

Where do you go when angry, to take a stroll and steam off a bit? Where do you daydream when in love or simply serene? Choose your place in the city, the one you find poetic and worth it.
